

WORLD MEDIA EMPIRE

**WORLDWIDE DEAL WITH SATELLITE TV
DISH NETWORK AND SLING TV**
www.dish.com and www.sling.com

This is our 2nd major Television agreement for upcoming distribution with FOX TV being the first.

Dish Network is a top 3 satellite company with a Market Cap of 30 Billion Dollars and annual revenues of 15 Billion dollars. This deal alone could bring in billions over the next few years.

Below are the preliminary key terms of the agreement.

- 1.) 10-year deal with Dish Network 14 Million Paying subscribers. Renewable.
- 2.) This is a Worldwide and National DEAL with Dish Network is across the United States covering all 50 states and around the world 24-Hours a day.
- 3.) World Media Empire, Inc. will be included in all of Dish's basic packages for Satellite subscribers which includes Dishes 14 million paying customers and on Sling TV.

4.) World Media Empire will be included in all the below platforms:

APPLE TV, IOS, ANDROID TV, WINDOWS, CHROMECAST

Apple TV

iOS

Roku

amazon fireTV

chromecast

XBOX ONE

androidtv

5.) Deal includes Sling TV WWW.SLING.COM which will include our channels for streaming and ON DEMAND worldwide.

The best value in entertainment

6.) World Media will have the right to use of Dish’s name and logo trademark on all our literature, Sales material, channels, and operations. In all our negotiations with advertisers, promotions, websites, social media, on Demand, and internet operations.

7.) Dish request World Media Empire to put their engineers in place now, and coordinate and work with their uplink centers to facilitate the launch of our channels. The uplink centers are located Los Angeles and Colorado. We will also have distribution and uplink and distribution centers in countries in Europe, Asia, and Singapore. We expect to hire an additional 100 people.

8.) Dish’s Deal with World Media Empire is nonexclusive giving World Media Empire the right to negotiate separate deals with other cable, satellite, and media platforms without the prior consent or approval of Dish Network.

9.) World Media Empire, Inc. will pay Dish a carriage fee which covers all distribution avenues available to Dish just like all other stations such as ESPN, Disney, ABC, HBO and Showtime. World Media Empire will retain and keep all revenues and profits from advertisers.

10.) *****We expect to add deals with AT&T Entertainment and Direct TV with whom we are also negotiation with to wrap up with. AT&T/Direct TV’s annual revenues per year are about 146 Billion dollars. *****

We will next begin to add Comcast, Time Warner, Charter communications, Apple, Google, Chromecast. We expect to have nearly 100 avenues of distribution in place by years' end. A few are listed below. ***

We expect to go public in 2 years.

Revenues from Advertising will be given to shareholders.

We just bought the domain www.mworldtv.com which is a shortened version of World Media Empire www.worldmediaempire.com it makes the website easier to remember.
