\$10,000 grant opportunities now available

Running a small business has never been more complex. Verizon Small Business Digital Ready can help. It's a free program designed to give small businesses like yours more tools to succeed in today's digital world.

Introducing Verizon Small Business Digital Ready

With free personalized learning plans that include courses, live coaching sessions with industry leaders, community forums and incentives, the program gives small businesses the chance to learn new skills, network within a like-minded community, and receive one-to-one mentoring.

Grant opportunities in 2022

As part of our goal to support 1 million small businesses by 2030, we're partnering with LISC to launch a new round of grant funding, open to small businesses who are active users on Small Business Digital Ready through June 30, 2022. Over the course of the year, we'll be deploying more than \$1M in total grant funding to small businesses.

How to Apply

In order to unlock the application for this exclusive pool of funding, members must have completed two courses or live coaching events between January 1, 2022 and June 30, 2022, and [apply](#) by June 30, 2022.

Applications open on April 25, 2022 and close on June 30, 2022. All applicants will be notified about whether or not they have been selected to receive grant funding by July 11, 2022.
