

Different forms of song and singing exist all throughout the world. Some cultures even tell stories solely through song!

Put on your artist's hat. Splash some color on this picture of Hannah and her special baby!

1 Samuel 1:9-11, 19-20; 2:1-10

Hannah couldn't have a baby. Her body wouldn't let her. It made her so, so sad.

She prayed to God, "If you make it so I can have a baby, I will give that baby to you, and they will be a priest and prophet for you."

Then, the impossible happened! Hannah had a baby boy. She named him Samuel. She took him to the temple and gave him to the priest, Eli, to be raised as a servant of God.

"God!" she sang for joy, "Your love is amazing! You love those who are poor and hungry, who have no power, who are sad and lonely!"

She kept on singing, "You take all the people no one cares about and you make them the most important people! There is no one like you!"

You can hear her joyful song if you listen closely, right now!

The Temple
