Donated items can be dropped off at Grace to Ben, and money donations can be wrapped in this sheet and placed in this box

This May our focus at Grace is going to be on the youth here at the church. We continue to strive to provide great opportunities for the youth to grow in their faith. Through our programs like Vacation Bible School and summer trips, we are able to help these kids feel the love of God. This love that they receive aids them in living out their faith in our community and beyond.

Next month the youth have the opportunity to attend Vacation Bible School (VBS) June 7th-11th and 11 youth and 2 adults will be heading to Duluth MN for our 2021 Summer Service trip.

There are many ways you can help us make these opportunities great for the youth.

The main thing you can do is to keep us all in your prayers during these weeks so we are kept safe and are able to constantly feel the presence of God during these events.

The other way to help is through donations of money, craft supplies and time.

Below you'll find different ways to donate. In some cases we're looking for monetary donations that will help defray the costs of our summer events. We also have a list of craft supplies that can be dropped off at the church that we will use during VBS week. The last way we could use your help is if you would like to help be here and assist with our VBS programming in person. Helping with VBS would involve assisting in crafts with the kids, getting lunch ready, and being an inspiring adult for the kids to be around.

Thank you for your continued support for the youth at Grace
