

PE Exam Study Group Sessions with ASCE YMG

ASCE-YMG (ASCE Younger Members Group) is offering PE Exam Study Group Sessions for the April & October Professional Engineer Exam. Participate in our revamped PE focused problem-solving sessions (Study Group), to prepare for this important step in your career. At the completion of the Study Group, we will offer a full day, in-person (8-Hour) mock exam to see what the exam experience is like.

LOCATION: WSP Chicago Office at 30 North LaSalle, Suite 4200, Chicago, IL 60602
COST: \$375 ONLY! (Includes over 150 practice problems and the Mock Exam* & Extra Self-Paced take home problems for added review and practice)

Each study Group Session will allow the students to practice and solve problems which are similar to those found on the PE exam. Solutions will be provided after each session. All our sample problems focus on important/high-probability topics that will appear in the examination.

The live in-person (8-Hour) Mock Exam* is an added bonus for students who register for all the sessions. All problems are in the same format as the multiple choice PE exam problems.

Sessions Schedule (All sessions are on Wednesday from 6:00pm-8:30pm)
Topic
Introduction to sessions and the exam By: Dr. Soliman Khudeira, PE, SE
