

ANNUAL *local food* DINNER

WEDNESDAY, NOV. 2, 2016
Waterloo Center for the Arts
6:00 p.m. social hour / 6:30 p.m. dinner

Northern Iowa Food & Farm Partnership invites you to dinner and to meet local leaders who are working hard to create a community food web that improves access to good food for all, promotes healthy eating, and supports a diversity of thriving local food & farm businesses in our region.

The annual dinner celebrates our food & farm culture. It provides an occasion for us to connect with others who appreciate locally grown foods and to see what we can plan together for the next season. One of the leading voices for the local food movement in Iowa, **Teresa Wiemerslage**, will inspire us with us local food initiatives that we could adopt in our region.

Reserve your seat by October 5!

Please return the enclosed form with payment. Contact Jodie Huegerich (jodie.huegerich@uni.edu or 319-273-7883) for more information.
