Leaders from Kalamazoo, MI's Urban Alliance have been invited back to the Cedar Valley to share their story, experiences, tools, expertise, and best practices for overcoming many of the same barriers facing our community. The Urban Alliance message is challenging and inspiring! Since their first visit for the Cedar Valley Future Ready Iowa Summit, there has been a strong commitment and unity locally to resolve our own community issues and barriers. All are welcome. If Kalamazoo can do this...the Cedar Valley can too!
