Departing March 29, 2027
Tokyo, Japan

Tokyo, Japan

Tokyo - an astonishing city that is a paradoxical mix of ancient tradition and postmodern culture. The Ginza, an international shopping mecca, is near the serene grounds of the Imperial Palace, and the hyper-speed of 21st century consumerism mixes with the elegance and serenity of traditional Japanese culture.

Wakayama, Japan

The port of Shimotsu is the gateway to Wakayama Prefecture. With 372 miles of coastline, all of the delights of the sea are on offer. Wakayama is home to a variety of geothermal bathing experiences, a treasured Japanese tradition for centuries. Nearby are the hilltop Wakayama Castle, with park-like grounds, and the resort island of Wakayama Marina City.

Kagoshima, Japan

Kagoshima is famous for its natural beauty, which includes the active volcano Sakurajima and the UNESCO World Heritage sites of Yakushima and Amami Oshima. It's renowned for its rich cuisine, particularly its "black meats" (pork, beef, and chicken) and high-quality green tea. Kagoshima is also a top destination for hot springs.

Yatsushiro, Japan

Yatsushiro is known for its holy shrines, vibrant cultural festivals, and outstanding natural beauty. Situated along the delta of the Kuma River, facing Yatsushiro Bay, this castle town and its ruins still showcase the spirit of the city. A visit to the ruins of Yatsushiro Castle makes for a wonderful excursion.

Kanmon Straits, Japan

The Kanmon Straits, separating Japan's Honshu and Kyushu islands, offer breathtaking coastal scenery where verdant mountains meet sparkling waters. This narrow waterway showcases dramatic landscapes, charming port towns, and the iconic Kanmon Bridge soaring overhead. Historically vital for maritime trade, the straits remain a captivating passage where natural beauty and cultural heritage converge.

Hiroshima, Japan

Given its place in history, Hiroshima is a monument not only to mankind’s destructive forces, but also to the indomitable will of the human spirit to overcome tragedy. Today, visitors to Hiroshima will discover a more serene note at nearby Miyajima Island. One of the top-three scenic spots of Japan, the island is home to the Itsukushima Shrine, a designated National Treasure.
