

## Culinary Express Reminder - Important End-of-Year Information

Students must have money in their account in order to purchase a lunch or a la carte items. Parents are still able to deposit funds into their student's lunch account through **June 8, 2017**.

The cost of a full-price lunch is \$2.90 for elementary schools, \$3.25 for middle schools, and \$3.80 for high school.

**How do you check a student's balance?** There are 5 ways to do this:

1. If you are set up with PayPams.com, your child's balance is updated every evening on the site. You can set up low-balance reminders to be emailed to you as well as check balances on the site.
2. Go to the Food Service tab in Skyward Family Access. Your child's balance and PIN are visible. These are also updated nightly.
3. At the elementary schools, watch for a red "smiley face" stamp on your child's hand. This is usually done when they have four meals or approximately \$10.00 left in their account.
4. Your child may ask the cashier for the balance.
5. Call the manager at the site and ask what your child's balance is. **Please do not call during lunchtime; they are busy serving lunch.** If you call in the evening, leave a voicemail with your phone number.

If you leave funds in your student's lunch account over the summer, it will be available in the fall when school opens.
