

Spring/Summer Cleaning

Just a reminder that if you are doing some cleaning before the kids are home for the summer...the College and Career Center (CCC) would be happy to receive your student's gently used ACT, SAT and AP Study Guides. Many students like to borrow these materials from the CCC to help them prepare for exams.

Please drop off your materials at the Front Greeter's Desk or the CCC while school is still in session. Books can also be dropped off in the 2nd Floor Main Office during the summer. Your donations are greatly appreciated!
