

# WHS College Visits

## Over 200 Colleges Visit WHS Every Year!

Did you know that College reps from all over the United States...and also some Canadian schools...come to Wayzata High School to visit with students every year? For a full listing of the colleges that are visiting WHS, [log-in](#) to Family Connection/Naviance with your username and password. Click on the "COLLEGES" tab and then "View all upcoming college visits". All visits are listed in date and time order. By clicking on any of the colleges...you will be linked to each college's website to get more information about their school.

Juniors and Seniors are encouraged to sign-up for college visits. Most often, the visiting college rep is also the admissions rep who will be reviewing student's college applications. Students should follow these steps to sign up for college visits:

1. Stop by the College and Career Center (CCC) in B202 to enter their name in the "College Visit" book for each visit they are interested in.
2. They will receive a "CCC Pass" that allows them to be excused from their class(es) to attend a college visit.

Students can also view the bulletin board outside of the CCC to find out when colleges are visiting WHS. Most of the college visits are held in the CCC and each visit lasts about 25-40 minutes. There is no limit on the number of college visits that students can attend, but they should plan their visits accordingly so that they can manage their class attendance.
