

Legend of the Poinsettia

According to legend, the origin of the poinsettia is as follows: A girl and her brother from Mexico were on their way to church on Christmas Eve but had nothing to give the Christ child. They gathered weeds and made them into a small bouquet. The other children made fun of their gift. When they laid the branches at the manger in the church, the weeds were miraculously transformed into bright red and white leaves that we know as the poinsettia.

If you wish to purchase a poinsettia plant, please fill out this form, include a check made out to Crown of Glory and mail both to the office.
