### COVID-19 Update: Mask Mandate

On July 25<sup>th</sup>, 2020, Governor Walz issued Executive Order 20-81 which stated that all people in Minnesota are required to wear a face covering in all indoor businesses and public indoor spaces, unless alone, and in outdoor spaces when social distancing cannot be maintained.

Crown of Glory will be adhering to the requirements stated in this Executive Order. The building will remain closed for public use and the staff will continue to wear masks whenever they are in a common area in the church, as well as when they are in another staff member's office space. Anyone who enters the church building must sign in at the church desk for contact tracing purposes.

There are exceptions to the mask mandate, which the Crown of Glory worship team and Pastors qualify for when leading worship. In the Executive Order, it states that a face covering can be temporarily removed when testifying, speaking, or performing in an indoor business or public indoor space if social distancing is always maintained.

Therefore, the Crown of Glory worship team and Pastors will remove their masks when speaking or singing during worship. They will wear masks at all other times during the service.
