October 22, 2018

Tom McGarrigle for Senate
P.O. Box 297
Springfield, PA 19064

Hon. Tom McGarrigle:

On behalf of the Mechanical and Service Contractors Association (M&SCA) of Eastern Pennsylvania, I am pleased to inform you that we have endorsed your candidacy for State Senate in Pennsylvania's 26th District.

In your short-time in the State Senate, you have proven to be a reliable voice on behalf of our contractors. This year, you demonstrated your commitment to our members through your unwavering support of House Bill 566, commonly referred to as "Prompt Pay." The PA "Prompt Pay" bill, now Act 27 of 2018, provides our members with a means to resolve contract disputes. As you are aware, our membership is made up of small businesses who will rely on this legislation to ensure they are paid in a timely fashion, so they can support their employees and families.

M&SCA is a contractor trade association representing more than 70 contractors engaged in the mechanical and plumbing construction and service markets. You have served your district with integrity and your efforts on behalf of our contractors makes you an invaluable member of the State Senate. Our members are pleased to support you this November.

Sincerely,

Timothy J. Brink
Executive Vice President
Mechanical & Service Contractors Association of Eastern PA
