Nutmeg PWD Club Safety Rules

1. Any person who enters the water must wear an appropriately sized USCG approved life vest and close toed water shoes that can protect their feet from sharp objects.
2. No person may use the beach or Nutmeg Equipment without signing a waiver to hold the Club harmless from damage, injury or death. Please sign and mail the waiver with your registration.
3. Club equipment may only be used for official Nutmeg sponsored events.
4. There must be at least two adults present on the beach for people or dogs to enter the water or when the Club boats are being used. An adult is defined as a person 18 years or older
5. Persons using the beach will clean up after their dogs and themselves and remove their trash including dog waste at the end of the day. No glass containers will be permitted on the beach
6. Nutmeg Water Equipment shall be used in an appropriate manner. Boats are for the sole use of dog and handler teams practicing water work with their dogs or as needed by the Club to set up a water trial site. No person shall stand on the boat platform or jump from the platform. All equipment is to be properly stored after use. Boats must be lifted onto land and the platforms propped against the side of the boats at the end of the training day. Oars, anchors and markers shall be secured in the oar locker. The last Club member on the property at the end of the day shall inspect the beach to ensure the club equipment is properly secured.
7. Children under age 18 must be accompanied by their parent or guardian when on the property. Guardians shall sign a hold harmless agreement for their children and by doing so assume all risks and responsibilities for their children's actions. Guardians shall prevent their children from creating a distraction for dogs and handlers. Unless directed by the person in charge, children shall remain away from the water and shall not play with club equipment. Children must wear USCG approved life vests and appropriate water shoes when on or near the water.
8. Dogs shall be under the control of their handler at all times. Dogs that are considered a risk to other dogs or humans shall be muzzled while on the property or be excused by the property owner or any club official. Excessive barking will require the dog(s) be removed from the property.
9. Cigarette butts may not be left on the ground and are considered to be your personal trash to be taken with you.

Guidelines for Nutmeg's Water Playdates

1. Dogs learn best in short, well-planned sessions and then need some "down" time to absorb the lesson. Do not expect to be playing the entire playtime. Bring a crate (and sheet to cover it) so your dog will have a quiet place to rest. Also have a plan for what you want to work on when you bring your dog out for your playtime.
2. Please contact Jane Freeman prior to your session if your bitch is in season.
3. Sign up for as many sessions as you possibly can attend. You will see more progress if you practice consistently both at water and at home.
4. There will be lots of distractions in this new environment. Your dog will not perform at the same level as he does distraction-free. Be prepared by strengthening your dog's desire to be with you. Be more interesting than the environment. Bring especially tasty treats. We prefer you use non-crumby fresh soft treats, for example, roast beef, cut up hot dogs, or even breakfast sausage cut up. And please bring some of your dog's favorite toys that can be used as rewards. And be sure your dog is both healthy and hungry. (No breakfast).
5. Please remember your life jacket and your water shoes – these are mandatory. If you have a non-restrictive harness for your dog, please bring it.
6. Other useful things to bring:
 - A crate and a sheet or blanket to cover it
 - Leash, buckle (not choke) collar, water bowl
 - A chair for yourself
