WNY Certified Fraud Examiners (WNYCFE) Chapter

Membership:

Our Chapter has incorporated in New York State and has an annual fiscal year of September 1 through August 31. We are listed in the ACFE website as the Buffalo – Western New York Chapter #88. **The chapters are affiliated with the international Association of Certified Fraud Examiners but collect separate dues and host local programming and opportunities for members to network.**

We are now eligible to offer CPE for NYS CPAS. CFE CPE credit continues to be available.

Members and associate members of the ACFE are eligible to become chapter members. Chapter members are eligible to vote and can serve as chapter officers or directors. (Note: The chapter president must be a CFE.) **For anyone who is interested in fraud examination, but is not a member or associate member of the ACFE, an Affiliate category is available.** An Affiliate cannot vote or serve as chapter officers or be a member of the board of directors.
