POSTPONED - SDRAFFH's 5th Annual Fair Housing Conference

In response to the increasing challenges posed by COVID-19 (coronavirus), the SDRAFFH Fair Housing Conference, originally slated for April 2, 2020, will be postponed to a later date.

San Diego Housing Federation and SDRAFFH have approached the unfolding situation with seriousness and care, and we have not made these decisions lightly. Keeping our communities healthy & thriving is our top priority at San Diego Housing Federation, therefore we are looking to a future date for this event when we hope to have more clarity of the situation. We will continue to monitor the situation, and we will institute every possible measure to ensure the continuing health of our many members and supporters.

At this time, we are offering those who have previously registered the option to either use their tickets for the event once it has been rescheduled to the new

date. Please lookout for an e-mail from us with more information.

If you have any questions or concerns, please contact Sarah Buchanan, Director of Events and Membership, via email: sarah@housingsandiego.org.
