**Residents United Network.**

## RUN'ing in Place

Even though we are practicing physical distancing, RUN is still nurturing its community through weekly **Community Care Calls on Wednesdays at 1 p.m.** on Zoom - chatting, planning for action, and sharing stories to keep each other motivated.

You can also sign up to be a **RUN Buddy**. [Fill out this form](#) to pair up with someone from RUN based on how you prefer to communicate, how often you want to check in, and some common interests.
