

NEED HELP WITH YOUR ENERGY BILL?

SDG&E has several assistance programs to help lower your monthly energy bill while keeping your home comfortable.

California Alternate Rates for Energy (CARE) Program: Save 30% or more every month on your bill. Eligibility is based on participation in certain public assistance programs, or household income and how many people live in your home. Visit sdge.com/CARE to learn more.

Family Electric Rate Assistance (FERA) Program: If you don't meet the requirements for CARE, you may qualify for FERA. You could receive an 18 percent discount on your energy bill. FERA is only open to households with three or more people. Visit sdge.com/FERA to learn more.

Medical Baseline Allowance Program: If you or someone in your household has a qualifying medical condition or needs certain medical equipment in your home, you may be eligible to receive more electricity or natural gas at a lower cost through the Medical Baseline Allowance program. Energy Savings Assistance (ESA) Program: You may qualify to receive no-cost energy-saving improvements for your home, such as new home appliances, energy-efficient lighting, insulation and more. To see if you qualify, visit sdge.com/ESAP.
