ABOUT TPP:

The Pittsburgh Project (TPP) was founded in 1985 with a mission to develop servant leaders and to uphold the dignity of vulnerable homeowners. At its founding, TPP utilized groups of high school students to do home repairs for senior citizens. Over the course of 35 years, the organization served over 2,000 homeowners and hosted over 40,000 young people.

After purchasing a building on North Charles Street to serve as it's headquarters, TPP began to provide programming for neighborhood children in 1995. These programs have grown and improved over time and in 2020, the organization sharpened its focus on serving the youth and their families in our neighborhood and redefined the mission statement accordingly.

In its 4 decades of service, TPP has grown and evolved in a myriad of ways. But now, as on its first day in 1985, everything that we do is based on a vision for a whole and healthy community, where the most vulnerable members can live safely and securely. Today, we achieve this vision by Sharing Hope, Empowering Youth, and Building Community.

TEAM ACTIVITIES:

TPP hosts several group training runs to help prepare for the Marathon as a group. This is a great time to come together and be a part of the TPP Community!

The Friday before the race, the TPP team comes together for dinner, fundraising prizes, and to receive the official team t-shirt! Runners who would like to, can have their marathon packets available to be picked up from the team dinner, instead of the Marathon Expo downtown.

VOLUNTEERING:

Unable to run this year but still want to be a part of the team? Join as an official volunteer!

Help with the 5K Run water stop, on the corner of Federal Street and North Commons on Saturday, May 3rd. Volunteers will also receive the official team t-shirt.

BE A MARATHON AMBASSADOR:

If you are a church, business, or school leader, and would like to help organize a group from your organization to be a part of the TPP Pittsburgh Marathon Team, you can contact us about being an official ambassador. You will help your team register and fundraise, with TPP staff to support you!
