# Gallery 5 Call For Artists

### About Gallery 5:

Gallery 5 is a brand, new Schenectady-focused, "Art Appreciating" startup group. Our mission is to bring awareness and visibility to both local and regional artists by hosting pop-up events around the City of Schenectady, allowing artists to showcase their creative talents while also building a network of potential buyers, thereby giving both the artists as well as the general public an opportunity to be exposed to great art as a cultural activity.

### The Call for Artists & Eligibility

Gallery 5 seeks interested artists with an invitation to participate in a juried pop-up exhibition at our first pop-up experience, located inside the street level (retail space) at the Electric City Apartments' building, 236 State Street, Schenectady, NY – along with very special thanks to the Electric City Apartment Ownership. This call is open to all traditional visual arts (2D, 3D) painting, sculpture, drawing, fiber art, glasswork, printmaking, illustration, digital art, and mixed media submissions will be reviewed. Artists must be 18 years old or older. Three to five images will be accepted per artist's submission. We have a fairly large space to accommodate larger work. All accepted work must be able to fit through an 8'H x3'W door, and all work will be available for sale to the general public.

In addition, there is no requirement on time frame of when art was created because Gallery 5 strongly believes, "There's no expiration date on quality art." Electronic submission deadline is Friday, May 12<sup>th</sup> by midnight.
