

APRIL 6, 2017 RECYCLING 101

6-7pm

Whether you're just starting to recycle, new to the area, or want to fine tune your skills, this workshop is for you! It is geared towards Schenectady and Scotia residents, but all are welcome. Learn how to recycle, its importance, and how recycling fits into Earth's bigger picture. There will be a 15-minute Q & A at 7pm.
