*Hello neighbor!*

If we haven't already met, allow us to introduce ourselves.

**Lead by Dr. Gyu Park, Total Endo Englewood offers endodontic specialty treatments Monday - Friday. We're reaching out to dental offices in this area who serve the Korean and Spanish communities.**

### **Get to know Dr. Gyu Park, Englewood's Endodontist**

We are delighted to introduce Dr. Gyu Park, a highly dedicated endodontist who is passionate about providing the best possible dental care to his patients. Dr. Park's journey in endodontics began while working as a general practitioner. His ability to treat teeth-related diseases and cure symptoms without extraction ignited his interest in endodontics, leading him to complete his Endodontics Residency program at New York University.

**Dr. Park's experience includes treating patients of all ages, including pediatric, adult, geriatric, emergency, and medically compromised patients.** He is proficient in various procedures, including root canal treatment, retreatment, apicoectomy, incision and drainage, root resection, hemisection, dental trauma management, autotransplantation, and intentional tooth replantation.

**Dr. Park's top priority is patient satisfaction, and he strives to provide the most personalized and quality dental care to every patient.** He believes in treating each patient as if they were his parents or family members, ensuring that they feel comfortable and well-informed throughout their treatment.

**Dr. Park is fluent in both English and Korean** and enjoys spending his free time with his loved ones. He also loves snowboarding, fishing, camping, and playing the piano. **Our team also speaks Spanish.**

### **Why Choose Total Endo?**

When you refer a patient to us, you can rest assured that your patients will be well taken care of. We make their experience our number one priority, from the moment they call or schedule online.

Our practice is focused on your patient's unique and individual needs above all else.

### What Do Patients Say About Dr. Park? Plenty and all positive! Here are some highlights:

*"Dr. Park and his staff provided exceptional care during my root canal retreatment. Dr. Park demonstrated a gentle and reassuring bedside manner, explained all of his reasoning and recommendations clearly, and was meticulous, exact and thorough throughout the procedure. The retreatment procedure was long and tedious, but it was clear that Dr. Park was highly skilled and took all the time needed to ensure the best possible outcome. I was also extremely impressed with the office procedures and efficiency and with the communication and kindness of all of the staff. Highly recommend" – Devora Hinde G.*

*"Dr. Park and his staff are awesome. I didn't feel any pain after the root canal. He was very patient. The place was clean and high tech." – RG*

*"Outstanding doctor." – Imran K.*
