DEI IMPLEMENTATION WORKSHOP

Interested in reducing your time to hire while increasing the quality and diversity of your workforce?

Is your company underutilizing a critical talent pool? Research indicates that companies that apply best practices for employing and supporting more persons with disabilities in their workforce have outperformed their peers.

Join the NorCal BAC for this no-cost opportunity to connect with leaders from Franklin Templeton, Raley's, and Essendant as they share their innovative inclusive hiring strategies that your business can replicate.
