SPONSORSHIP OPPORTUNITY

Be a part of the good! Support of this event builds community by bringing people together to honor those who served and creates more opportunities for our veterans to engage mind, body and spirit through local outdoor recreation programs.

Last year over \$3000 in proceeds were generated and donated to two local efforts: Soldiers on Single Track and Veteran Surf Therapy. Consider being a sponsor for this year's event for the wellbeing of veterans and our community!

Local Vets: Shaun & Kelly

Organize mt. bike rides and races through Soldiers on Single Track donations.

Veteran Surf Therapy

Local Vet Center, Eureka VA and community members collaborated to host 3 events this summer at Moonstone beach. Donations were used to rent boards, wetsuits and provide lunch! Stoke shared by all.
