*NOTE: Contributions to RPAC are not deductible for federal income tax purposes. Contributions are voluntary and are used for political purposes. The amounts indicated are merely guidelines and you may contribute more or less than the suggested amounts. The National Association of REALTORS® and its state and local associations will not favor or disadvantage any member because of the amount contributed or a decision not to contribute. You may refuse to contribute without reprisal. Your contribution is split between National RPAC and the State PAC in your state. Contact your State Association or PAC for information about the percentages of your contribution provided to the National RPAC and to the State PAC. The National RPAC portion is used to support federal candidates and is charged against your limits under 52 U.S.C. 30116.
