### **Monmouth Ocean Regional REALTORS® and Mid Jersey Association of REALTORS® Raise \$6,525 in Friendly Competition to Support California Wildfire Relief**

In a spirited display of generosity and teamwork, the leadership of Monmouth Ocean Regional REALTORS® and Mid Jersey Association of REALTORS® joined forces in a friendly fundraising competition, ultimately raising \$6,525 to support relief efforts for the devastating California wildfires. The funds were donated through the REALTOR® Relief Fund and will provide crucial resources for affected communities, firefighters, and recovery initiatives.

The competition challenged members of both Associations to out-fundraise each other, with all proceeds directed toward wildfire relief. Each Association had 23 leadership volunteers who rallied together and raised the funds in three days.

"The response from our leadership volunteers was incredible," said Diane Traverso, President of Monmouth Ocean Regional REALTORS®. "This friendly rivalry not only strengthened our REALTOR® community but also contributed to an urgent cause. Wildfire devastation affects thousands, and we are proud to support those on the front lines of recovery."

Funds raised will aid firefighters, displaced families, and restoration efforts, ensuring that communities impacted by wildfires receive the support they need.

"Mid Jersey Association of REALTORS® and Monmouth Ocean Regional REALTORS® have shown that competition can drive real, positive change," added Gareth Farmer, President of Mid Jersey Association of REALTORS®. "We hope this inspires other Associations to come together for causes that matter."
