INTRODUCTION TO SHORT SALES AND FORECLOSURES

Since 2006, The Sokol Law Firm has been managing real estate matters and has specialized in short sales since around 2010. To date, The Sokol Law Firm has successfully closed over 3,700 short sale transactions. Our firm's unique system effectively handles these complex transactions, and our professional and communicative staff ensures that clients are smoothly guided through the process. We utilize our software and short sale documentation, along with a comprehensive database of lender-specific documents and contacts. This enables us to expedite the lengthy short sale process significantly.
