

Barry Graham
Candidate, Scottsdale City Council

Scottsdale City Councilman Barry Graham is in the fourth year of his first term. During his first two years, he helped expose major cost overruns and challenged the prior council majority's harmful ideology. Following the 2024 election that shifted the council majority, Graham has focused on restoring financial transparency and ensuring city policies reflect residents' values.

Before joining the Council, Barry chaired and served on multiple city commissions and was twice elected Treasurer of LD23 Republicans. A lifelong Scottsdale resident, Barry grew up in North Scottsdale, graduated from Chaparral High School, and now lives in South Scottsdale with his wife Farrah and their twin boys.
