

**Merissa Caldwell**  
**Co-Founder, EAZ**

- Co-Founder of EAZ.org - One of the Largest AZ Grassroots Groups registering over 3500 voters on the Legislature's Request to Speak System
- Ran for Phoenix Mayor in 2020 to stop Kate Gallego from defunding our Phoenix Police & later killed the vax mandates against targeting public employees. Secured the highest number of votes for a non-incumbent in city history
- Drove election integrity since 2018 as a whistleblower with several changed laws, an indictment of voter fraud secured, and Katie Hobbs' Election Procedures Manual killed thanks to grassroots action
- Drove public comment on redistricting to keep the Legislature red & give us a majority in Congress to fire Pelosi
- Organized support to flip the House Rules to give Congress back to the people with a national grassroots coalition effort
- Helped elect a grassroots Senate President with Warren Petersen now leading the way in AZ
- Helped secure parental rights with the support of Senator Kelly Townsend driving accountability in DCS
- Rescued and supported moms and their babies in crisis pregnancies and domestic violence for a decade
