End your weekend on a high note! Pack a picnic basket and come down to Hurless Barton Park Amphitheater for some great music with family and friends. Four new bands will perform this year, and they all rock! Seating is available on the grass, so please bring beach chairs and blankets. Any canopies that block the view of others will need to come down when the concerts start. Dogs are not recommended, and alcohol is not allowed in the park. Don't forget your dancing shoes!
