Missouri Job Center – The Crossing at Northwest

Bluecrew is a W-2 staffing platform that connects workers to large companies. Our short application and interview process puts people to work fast and provides solutions to companies looking for extra help. Workers can pick up the occasional shift or pursue full time positions. They can also accept direct invitations from companies who want to have them back. Our points and ratings system allows for dedicated workers to work their way up, earn extra pay, and sign up for benefits.
