Benefitting

Our Lady of the Angels Maternity Shelter

*Offering dignity, hope & sanctuary to women in crisis pregnancies.
We are an emergency shelter*

The health of Americans is declining. The CDC has documented increasing rates of obesity, diabetes, liver disease, suicide and other health disorders. Life expectancy declined from 2014 to 2015. We are NOT living well aware.

Learn the latest information on scientifically proven practices to reduce your risks of cancer, stroke, heart disease, dementia, diabetes, and death. This WILL be a life changing event. Proceeds will benefit pregnant women in need in our community.
