What Does It COST To Be HEALTHY?

PATRICIA SULAK, M.D. LIVING WELL AWARE

**ILLNESS is Expensive.
What Does It COST To Be HEALTHY?**

We all know it's expensive to be sick, for the individual, their family, the business / organization for whom they work, and the community. But what are the costs in obtaining optimal health and what all does it involve?

Patricia J. Sulak, MD is a practicing physician, medical school professor, accomplished women's health researcher, and national speaker. In an enlightening and entertaining fashion, Dr. Sulak will share her personal pursuit of optimal well-being. Wellness is a multi-billion-dollar industry. What IS effective in increasing our LIFEsSpan and HEALTHspan and what will it cost us?

Join us for the life-changing presentation.
