To ensure that your child is allowed to participate, please complete the attached permission form and locker agreement that are due by May 24th, 2019. Please return your completed forms to your current 5th grade teacher or for newly registered students to Mrs. Anderlohr in the middle school office by July 15, 2019.

Please note a completed Lions Camp Permission Form and Locker Agreement are required for attendance.

The purpose of this half day event is to welcome your child to their new campus, meet their teachers, make new friends, learn classroom locations, become comfortable with locating and opening their lockers, to reinforce the IB profiles, and to begin to feel more at ease on their new campus.

Items needed for Lions Camp:

☐ Permission Form completed and returned - Required
☐ Locker Agreement - Required
☐ Two reams of copy paper, two boxes of Kleenex, and two rolls of blue painter’s tape, as noted on the supply list - Required
☐ Updated Shots/Meds (Nurse will be there to collect)

NOTE: If your child needs additional time to practice their locker combination after Lions Camp, together you may visit their locker that day. We ask that you do NOT visit the teachers or their classrooms during this time. Staff members that are in the building need this time to prepare their rooms and to work on plans for the upcoming school year. We appreciate your support!
