

Brian Bondy

Brian Bondy, IOM joined the Granbury Chamber of Commerce on April 1, 2021. Prior to joining the Chamber in Granbury, he was president of the Conroe/Lake Conroe Chamber of Commerce.

While in Conroe, Bondy helped grow the chamber's financial position with a combination of special event and membership development. In 2020, the chamber was elevated from a 3-Star Accredited chamber to a 5-Star Accredited chamber by the US Chamber of Commerce.

Bondy has been a part of chamber of commerce work in Texas and Missouri for over 25 years serving as a volunteer, committee member, committee chair, board member and board officer before transitioning to the 'other side of the desk' with the Northwest Communities Chamber of Commerce in suburban St. Louis. Moving back to Texas in 2001, he became president of the Aransas Pass Chamber of Commerce where he led the annual three-day festival, Shrimporee with attendance in excess of 30,000...three days *after* the 9/11 attacks.

He has been a Rotarian for almost 20 years having served as club president in both Kerrville and San Marcos and is also a Paul Harris Fellow. Bondy graduated from Stephen F. Austin State University and has also earned the Institute of Organization Management (IOM) designation through his participation in and graduation from the US Chamber of Commerce Institute.

Brian and his wife Jean have two adult daughters, Lauren who teaches in the Mansfield ISD and Erin who is in graduate school at Washington University in St. Louis. In their spare time, the Bondys enjoys touring wineries in Texas and across the country.
