Wednesday, May 24

9 – 11 a.m. Classroom B

Building the Commercial Real Estate Marketplace

Research and Analysis for Professional

Website Solution for Marketing Commercial Real Estate

Please join us for updated information and training on Xceligent, a comprehensive Commercial Listing & Property Information platform.

Xceligent empowers users with the advanced searching tools necessary to efficiently locate commercial real estate properties that match their needs and the needs of their clients. Finding the right properties is simplified by utilizing Xceligent's map-based searches and property-specific criteria options. Through one simple interface, search results can be viewed, mapped, saved, printed, or emailed with ease and speed.

Space is limited! RSVP to CALV at 702-784-5050.
