Uniting the Southern Nevada Commercial Real Estate Industry

12th Annual EDUCATIONAL SYMPOSIUM

The Commercial Alliance Annual Educational Symposium is a great opportunity to obtain six live CE credits with a commercial real estate focus. Back by popular demand, national instructor Dr. Mark Dotzour will teach the morning session titled "The Economic Outlook for Investors, Decision Makers and Taxpayers".

Dr. Mark G. Dotzour is a real estate economist who served for 18 years as Chief Economist of the Real Estate Center at Texas A&M University. He combines academic training in economics, real estate, finance, and history to make sense of current economic trends.

Once again CALV will be co-hosting the luncheon portion of the Educational Symposium with the Southern Nevada CCIM chapter and featuring some amazing panelists who have helped shape the commercial real estate industry in Southern Nevada over the years with our 4th annual "When Cocktail Napkins Were Contracts" theme. Keep your eyes open for more information on the classes and the panel!
