

# Ryan Molony

## Daybreak Board Member

**M**y wife, Courtney, and I have been married 20 years this November and are parents to Durham (15), Hyatt (12) and McCoy (9).

I graduated from Presbyterian College, where I played football and received a Bachelor of Arts in Religion. I completed my Masters in Education Administration from Columbia International University.

I coached varsity boys basketball for 12 years before going into full-time ministry at RADIUS church. Former referees are still shocked when they find out the guy that used to scream at them is now a full-time pastor! I joined RADIUS in 2016 as a small groups pastor. In 2018, we planted a new church and I have been the pastor at RADIUS-Centerville ever since.

This is my second stint with the [Daybreak](#) board. I enjoy serving behind the scenes and supporting the folks that do the real work with the ministry on the front lines every day. I remember clearly when the Lord convicted me that though I was pro-life, I wasn't really doing anything to help. The opportunity to join the board was a welcomed answer for me and my family.

With the Saturday October 12 Annual 5K theme "Run With Perseverance", our church has enjoyed partnering with and running alongside Daybreak the last several years. To find out more about the 5K Run/Walk, go to <https://secure.fundeasy.com/ministrsync/event/?e=28467>
