

February 2024 In Review

At Daybreak, we are honored to get to work alongside some amazing ministries within the Columbia area. **A Moment of Hope** is certainly one of these ministries. On Thursday, February 1st Daybreak staff had the privilege of attending A Moment of Hope's annual banquet at the Columbia Metropolitan Convention Center. It was an evening of good food and fellowship, with an inspiring message from Scott Hamilton—

American figure skater and Olympic gold medalist. We joined together to hear about the continued efforts of A Moment of Hope and beautiful testimonies of how God continues to rescue lives from the evil of abortion.

On February 15th Daybreak hosted an Abortion Education Lunch & Learn. Approximately 15 ladies from various professions and walks of faith joined together at Daybreak to learn more about the services that Daybreak provides to women and men experiencing unexpected pregnancies, and to learn about the realities of abortion in a post-Roe v. Wade world.

On February 28th Daybreak staff and friends, along with various ministry leaders throughout the state, attended the **62nd South Carolina Prayer Breakfast**. This annual event seeks to promote unity—crossing political, denominational, and

racial barriers—by focusing on the privilege of prayer. Tobin Cassels, the President of Southeastern Freight Lines, provided the keynote address with encouraging (and humorous!) concluding remarks from our honorable South Carolina State Governor, Henry D. McMaster.
