

Elizabeth Mounce

Client Advocate

My husband, Steve, and I have been married for almost 43 years. We have a daughter, and we have a son who is married to a wonderful woman with 4 grandchildren who call me Booboo. We have a farm in Ridgeway and we love to be outdoors, hunt and fish. Outside of being a mom and grandmother, Community Bible Study has been an opportunity for me the last 25 years to study God's word and take part in leadership. I am also involved in our church!

I became involved with Daybreak, first, through giving. I soon realized how vital this ministry was and I knew I needed to do more. In 2012 I trained to become a Client Advocate, which I am still doing today. It is such a privilege to have the opportunity weekly to talk with the women who come into Daybreak. Most of the time women are walking through our doors with unexpected pregnancies. The most important thing we do is share the gospel. Jesus Christ is the only one who can truly give these women the love, comfort and security they need.

FUN FACT: I love all sports and my grandsons love for me to throw the football with them. They even told me I could probably be in the "Grandma" league.
