

GRACELIFE CHURCH

Daybreak Donor

The [GraceLife Church](#) vision is to be people who Know God, Find Life, Make a Difference, and Reach Our World. One of the ways we love to Reach Our World is through our partnership with [Daybreak](#)! We love the commitment of Daybreak to help families. We believe supporting the whole family is vital. Each summer we host a Diaper, Wipes and Car Seat Drive to help support the mission at Daybreak, as well as participate in the Baby Bottle Campaign!

We love being able to show the families God's love in a tangible way, and that the ministry at Daybreak will share the good news about Jesus with the families who they support. We want to make Jesus famous wherever we are, and this is such a great way to do that!

We also helped open [The Columbia Dream Center](#) which exists to help equip and empower people to meet their God-given dreams, through transformed lives! The Columbia Dream Center goes into neighborhoods to help meet tangible needs while building relationships and sharing Jesus! Through partnerships like these, we are able to meet the needs of a wide variety of people while sharing God's love and helping change lives! We are so thankful for Daybreak and the work that they do!
