

## **Board Buzz**

*A quick update from your Fishers UMC Board Chair*

The first quarter of 2026 is behind us, and we have much to be thankful for. We've been focused on a few key priorities—starting with keeping our finances healthy. That includes launching *Stores of Oil*, a new reserve fund designed to give our church a stronger financial foundation for the future. Think of it as setting something aside for a rainy day, so we can continue doing what we're called to do no matter what comes.

We've also been cheering on Multiply Ministries, which continues to find new ways to connect people to Christ and to each other. Through Multiply, our church is supporting ministries in nursing homes and assisted living centers, the annual Pastor's School in Kenya, and scholarships for students pursuing theology degrees and ordination.

On the immediate horizon, we're excited about *Heart of a Man*—a unique program designed to draw men closer to God, organized here at our church by board member Jeff Chaney and Pastor Ben. It will soft launch in April, and we're eager to see how it grows.

Behind the scenes, we're continually asking how we can better support our staff, ministries, and facilities—the everyday work that keeps our church running and our community growing.

The church board values staying connected with the congregation. If you have a question or suggestion, we'd love to hear from you at [boardfishersumc@gmail.com](mailto:boardfishersumc@gmail.com) and if you'd like to learn more about who serves on the board, [click here](#).

Sincerely,

Tiffany Frash  
Fishers UMC Board Chair
