

Stella has joined USP in August 2019 as Strategic Customer Development Manager - South East Asia. She is responsible for ensuring industry awareness of USP's processes, products, services, and opportunities to collaborate with USP.

Stella started her professional career as an Application Chemist in a local manufacturing company. Thereafter, she took on account management roles providing analytical supplies to the pharmaceutical/biotech industry. Stella received her BSc and MSc in Chemistry from the National University of Singapore. She has also received training in ISO 17025.
