

# VACCINES

## Conference & Exhibition

**Virtual Conference | 24 - 25 May 2021**

**Complimentary Half-Day Session (Vaccines Development) on 27 May 2021**

This conference is designed to be aligned with the government's aspiration for vaccine self-sufficiency and the development of an industry that will be able to bring a vaccine from R&D to commercialization in Malaysia. The various topics in the conference serves to provide insight into the knowledge required and builds confidence in the processes towards this purpose.

### WHY ATTEND?

- Knowledge Sharing by Experts on Vaccines Development & Technology
- Gain Insights on Regulatory Requirements for Vaccines in Malaysia
- Learn about Facility Design for Biomanufacturing and Cold Room
- Opportunity of Virtual Factory Tours
- Understand the Covid-19 Vaccine Supply in Malaysia
- Networking Opportunities (Pre & Post Conference)
- Free Access to Exhibition Booths for 1 week

### WHO SHOULD ATTEND?

Personnel from

- Management
- Business Development
- Manufacturing
- Product Development
- Supply Chain
- Quality Assurance
- Quality Control
- Engineering
- Regulatory Affairs
- Pharmacovigilance

### REGISTRATION FEES

#### Full Conference (24, 25 & 27 May 2021)

##### Local Participant

Member:	RM 1000
Non-member:	RM 2000
Student/Academia Member:	RM 250
Government Member:	RM 250

##### Overseas Participant

Member:	USD 500
Non-member:	USD 800

#### Post-conference Only (27 May 2021)

##### Local Participant

Member:	RM 250
Non-member:	RM 500
Student/Academia Member:	RM 50
Government Member:	RM 50

##### Overseas Participant

Member:	USD 125
Non-member:	USD 200
