Non-Text-Based Middle Paragraph

Prompt: Write to explain about your favorite place.

I	water park	
R1	slides	a. tubes
		b. inner
R2	wave pool	a. waves
		b. surf
R3	lazy river	a. relax
		b. fountains
C	water park	

Third, my favorite place is a water park because you can ride the lazy river. You can relax on your inner tube while floating in the water. Many people fall asleep or sunbathe. You can also make long chains of people and pull them under spraying fountains. It's fun to get sprayed when you don't expect it!
