A "Share" button and various sharing icons are visible. Below the title bar is a toolbar with icons for undo, redo, zoom (150%), refresh, insert, text color, text background color, highlighter, shape, image, signature, comment, and a menu icon. The document content includes a header "Top Score Writing – Grade 4" and "Lesson 1". The main text is "Writing Prompts Guided Practice" followed by a "Name: _____" line. Below this is a set of directions: "Directions: Read each prompt and circle the keyword. Then explain what the prompt is asking you to write about." There are three numbered prompts, each followed by a text input area with a red "Insert text" placeholder. The first prompt is: "1. We all have a favorite movie. Think about your favorite movie. Now explain why this movie is your favorite." The second is: "2. In science class, we have learned a lot about animals. Before you write, think about one animal you have learned about that you like the most. Now explain why you like this animal so much." The third is: "3. Smoking cigarettes is an unhealthy habit that many people do. Think about how many people smoke cigarettes in this world. Now write to inform your reader why smoking is a bad habit."
