Transitions

Use at the beginning of each middle paragraph and the conclusion to help organize writing

I My favorite animal is a dog.

R1 **First,** I love dogs because they are so fun to play with. I like to run and play with them. Dogs make me so happy.

R2 **Second,** I love dogs because they are so kind. They love to give big hugs. A dog is glad to see you.

C **In conclusion,** dogs are the best animals!
