

# OKANAGAN COLLEGE

JUNE 2022

*The OC Monthly Update*

## PROGRAM SPOTLIGHT

### WATER ENGINEERING TECHNOLOGY DIPLOMA

Pipes. Storage. Microbes. Runoff. Stream protection. Treatment. Erosion. There's a lot more to Water Engineering Technology than you think.

Learn more about the program at [okanagan.bc.ca/wet](https://okanagan.bc.ca/wet)

## ARE YOU A GRADE 12 STUDENT COMING TO OC?

OC applicants and admitted students are invited to attend **Jump Start** sessions at the Kelowna campus on either June 11 or 22.

These sessions will set you up for success by introducing you to our service departments, giving you a tour of the campus, showing you how to use the registration system, and providing an opportunity to meet other students starting in September!

Find details and the registration link at [okanagan.bc.ca/jump-start](http://okanagan.bc.ca/jump-start)

### APPLY TO OC

Fall 2022 applications are still open to some of our programs.

[CLICK HERE](#) to explore our *digital viewbook!*

To apply, go to [www.okanagan.bc.ca/apply](http://www.okanagan.bc.ca/apply)

There is a \$30 application fee that will allow you to apply to 2 programs.

**Questions?** Contact us at [chooseoc@okanagan.bc.ca](mailto:chooseoc@okanagan.bc.ca)
