Branding Inspiration

"For I was hungry and you gave me something to eat, I was thirsty and you gave me something to drink, I was a stranger and you invited me in, I needed clothes and you clothed me, I was sick and you looked after me..."

- Matthew 25:35

Let's Talk

Your church does not have to be invisible to the community. When you decide a health clinic is needed at your church, you can utilize our expertise, guidance, and structure.

2535

twofivethreefive

We strive to be humble in the face of others so that we may find grace to provide for all.

What is 2535

2535 offers a sustainable healthcare model for high-quality charity clinics by creating a network of clinics inside church facilities to provide robust whole-person care.

Charity clinics will partner with churches and use 2535 toolkit as a blueprint to implement clinical services inside churches.

2535 Partnership Toolkit

The complexity behind opening a clinic can be exhausting, with 2535 many of the infrastructure that goes behind opening a clinic has already been completed!

Key points that will be included in this partnership:

- Understanding the initiative and getting started
- Planning and gathering
- Strategizing
- Volunteer process
- Opening a 2535 clinic
- Analyzing and evaluating

2535 Solutions

- Proclaiming Jesus through missions work and spreading His word through healthcare ministry
- Growing disciples and flourishing communities
- Addressing the complexity of instituting a clinic
- Integrating a social service medical support system
- Identifying outcome improvements based of Social Determinants of Health (SDoH)
- Offering accessible and affordable high-quality healthcare

Could your Church be a Candidate?

Do you have a community ministry outreach department?

Do you see a need for healthcare in your community?

Do you want to make an impact on your community?
